## Experience

### **IT Support Engineer and Product Designer | King Discounts | Feb. 2024 – Present**

My primary responsibilities included:

- Managing IT infrastructure of the company and resolving network and connectivity issues among the wireless peripheral devices and troubleshooting them.
- UX Design of the App: Led the design of user interfaces and experiences for the company's mobile application, ensuring an intuitive and engaging user journey.
- Website Design and Development: Designed and developed responsive and visually appealing websites, enhancing the online presence and accessibility of King Discounts.
- Social Media Posts Design: Created eye-catching and brand-consistent social media posts to boost online engagement and brand awareness.
- Business Profile, Catalog, and Flyers Design: Designed professional business profiles, detailed product catalogs, and promotional flyers that effectively communicated the brand's offerings and value propositions.

### **Junior IT Support Graphic Designer | National Institute of Urban Management | Oct. 2022 – Feb. 2024**

My key responsibilities included:

- Managing IT infrastructure of the company and resolving network and connectivity issues among the wireless peripheral devices and troubleshooting them.
- Managing data and assuring the security of the company data cloud.
- Designing Annual Reports: Created comprehensive and visually appealing annual reports for the state government, ensuring clear communication of key data and achievements.
- Video Editing for Podcasts: Edited videos for podcasts, enhancing the visual and auditory quality to engage and inform the audience effectively.
- Website Design and Development: Designed and developed user-friendly and aesthetically pleasing websites to support various projects and initiatives.
- Presentation Design: Developed professional and visually engaging presentations that effectively communicated complex information to diverse audiences.
- Event Boards and Flyers Design: Designed boards and flyers for events, ensuring impactful visual communication and consistency with the institute's branding.

### **Freelance Designer | MA Graphicz | Mar. 2019 – Oct. 2022**

My key responsibilities included:

- Designing Brand Identity: Created comprehensive and visually appealing Logos and branding materials for start-ups and companies.
- Website Design and Development: Designed and developed user-friendly and aesthetically pleasing websites to support various projects and initiatives.
- Presentation Design: Developed professional and visually engaging presentations that effectively communicated complex information to diverse audiences.
- Poster Design: Designed posters for promotion of brand and offers, ensuring impactful visual communication and consistency with the company's branding
