Career Summary

Experienced UI/UX Designer and Computer Science Engineer with over five years of expertise in crafting intuitive digital experiences, IT support, and web design. Proficient in Flutter app development, graphic design, and web development. Committed to creating user-centric designs that improve engagement and customer satisfaction. Skilled in collaborating with cross-functional teams to deliver seamless and visually appealing interfaces.

Key Skills

- **App Development:** Flutter (Dart)
- **Web Development:** WordPress, HTML/CSS, Web-flow and Framer
- **UI/UX Design:** Figma (Wireframing, Prototyping), Adobe XD, Adobe Illustrator, Photoshop, InDesign
- **Research & Testing:** User Research, Usability Testing, A/B Testing
- **Network & IT Support:** CCNA and AWS
- **Collaboration & Tools:** Agile Development, Cross-functional Team Collaboration, Microsoft Office (Word, Excel, PowerPoint)

Professional Experience

Product Designer | King Discounts | Feb. 2024 – September 2024
My primary responsibilities included:

- Spearheaded the design of user interfaces and experiences for mobile applications, enhancing the overall user journey.
- Collaborated with lead developers to create custom widgets using Flutter – Dart, optimizing UI components.
- Designed and developed responsive, user-friendly websites that increased accessibility and online engagement.
- Created engaging social media graphics and promotional materials, enhancing brand visibility and user interaction.

Graphic Designer (UX Design) | National Institute of Urban Management | Oct. 2022 – Feb. 2024
My key responsibilities included:

- Developed UI/UX designs for state government web applications and dashboards, improving data visualization and usability.
- Designed visually compelling annual reports that communicated key data effectively to government stakeholders.
- Led video editing projects for podcasts, enhancing audio-visual elements for audience engagement.
- Crafted presentations and event materials, ensuring branding consistency and clear communication

Freelance Designer | MA Graphicz | Mar. 2019 – Oct. 2022

My key responsibilities included:

- Designed comprehensive brand identities, logos, and websites for start-ups and established companies.
- Created interactive and responsive website designs, improving user experience across various projects.
- Developed presentations and promotional posters that maintained brand integrity while delivering clear messages.

Education

Bachelor of Technology in Computer Science and Engineering
Vivekananda Institute of Technology and Science, Karimnagar, Telangana, India

Certifications

- **GOOGLE UX DESIGN CERTIFICATE**
- **LONDON APP BREW FLUTTER COURSE CERTIFICATE**
- **CISCO CERTIFIED NETWORK ASSOCIATE (CCNA)**
